Product Features:

- 6 hospital and baby tested sounds (vs. 1 with competitive units): *White Noise, Intrauterine, Lullaby, Ocean, Heartbeat* and *Car Ride*.
- *Intrauterine* sound developed and endorsed by the acclaimed baby sleep expert Dr. Fred Schwartz.
- *Lullaby* sound composed by Dr. Steven Halpern, the world's leading composer and recording artist of music for relaxation, wellness and "sound health".
- Vastly superior sound quality.
- Adorable bear designed by renown UK teddy bear designers Pape Woodward.
- Removable battery powered sound pack - usable inside or outside bear.
- Remarkably soft, machine washable bear (non allergenic).
- 4 position gentle off timer; 30 minutes, 60 minutes, 90 minutes and Continuous, with easy "push" on/off.
- Patented Sleep Enhancement® feature slows sound playback to create a lulling effect.
- Includes straps for fastening to crib, stroller, etc.

Attaches safely and securely to baby's crib.

"White noise imitates your baby's experience inside the womb and switches on his/her calming reflex."

Harvey Karp, M.D., Acclaimed Best Selling Author of *The Happiest Baby on the Block*

Hospital Tested, Baby Proven!

Dr. Fred Schwartz is an acclaimed expert on the use of music to reduce stress in premature babies, in the operating room and with hospital patients. Dr. Schwartz has pioneered the development of hospital-wide music systems and was the medical spokesman for Governor Zell Miller in

bringing music to all newborns in Georgia.

Dr. Schwartz has appeared on CNN Headline News, NBC News, National Public Radio, BBC and quoted in *Prevention* and *Good Housekeeping*.

Steven Halpern, Ph.D., is the world's leading composer and recording artist of music for relaxation, wellness and "sound health". For over 30 years, he has pioneered and promoted the healing powers of music through his recordings, books, media appearances and

workshops. Dr. Halpern's music has been heard on CBS's 48 hours, ABC's 20/20, Oprah, and John Bradshaw's PBS TV series, *Homecoming* and *Creating*.
